RESPONSE TO RESTRICTION REQUIREMENT

Seattle, Washington 98101

October 24, 2006

TO THE COMMISSIONER FOR PATENTS:

Claims 1-25 are pending in the present application. In the Restriction Requirement mailed on September 26, 2006, a position was set forth that the application contained two patentably distinct species defined by: Group I, FIGURE 3, and Group II, FIGURES 5-6.

Applicant elects Group II, FIGURES 5-6, (Claims 1-22), for prosecution on the merits. Applicant makes this election with limited traverse. The Office Action asserts that the species are patentably distinct, but did not provide supporting explanation as required by M.P.E.P. § 806.04. Reconsideration of the restriction requirement is requested.
